

NUR ATIKAH BINTI SUHAIMY

SOFTWARE DEVELOPER

Subang Jaya, Selangor | +6019-6639790 | atikahsuhaimy@gmail.com

CAREER OBJECTIVE

Passionate and adaptable Software Developer with more than 6 years of experience delivering end-to-end web solutions that improve business operations and data visibility. Skilled in PHP, JavaScript, and Azure DevOps, with a proven track record of building high-performance systems, optimizing databases, and collaborating with cross-functional teams to achieve project goals.

TECHNICAL SKILLS

Programming:

PHP, JavaScript, JQuery, TypeScript, HTML, CSS, AJAX

Database:

MySQL, Microsoft SQL Server

Tools & Technologies:

Azure DevOps (Repos, Pipelines), RESTful APIs, Git, Postman, Visual Studio Code, IIS (Windows Server)

Others:

Laravel, React, JSON, API Integration, Data Visualization, Query Optimization

WORK EXPERIENCE

Software Developer

January 2023-December 2025

Spencer Ogden Consulting Sdn Bhd, Kuala Lumpur

- Developed and enhanced in-house KPI and data-tracking systems using PHP (Vanilla), JavaScript, and MySQL, improving performance visibility and operational efficiency.
- Integrated Bullhorn API to automate data synchronization for sales performance tracking and reporting.
- Designed and implemented RESTful APIs and interactive dashboards for real-time insights and smoother backend-frontend communication.
- Automated deployment pipelines with Azure Repos and Azure Pipelines, reducing release time and improving reliability.

Key Project:

- **Solar KPI & Performance Tracking System** - Enhanced internal KPI system with new integrations, real-time data visualization, and optimized MySQL queries for faster reporting.
- **Sales Consultant Data-Tracking Application** - Built a web app from scratch using PHP and JavaScript, integrated Bullhorn API to streamline sales data tracking and analytics.

Web Programmer

September 2019-January 2023

Skynet ICT Sdn Bhd, Selangor

- Designed and developed in-house web systems from scratch using PHP, Bootstrap, and MySQL, creating scalable, user-friendly applications.
- Developed and integrated RESTful APIs and payment gateways (iPay88), and upgraded/maintained CMS and Laravel applications.
- Configured servers (Apache, MySQL, and IIS on Windows Server 2012) and migrated systems to Azure Cloud, ensuring smooth deployment and operational stability.
- Collaborated in team development using Git (BitBucket), provided technical support, and managed multiple web systems across design, development, and testing.

Key Project:

- **Skypostpaid & SkyPrepaid** - Printed electronic airway bills and consignment notes using PHP, MySQL, and integrated Internal API, iPay88 API, Skycover API. SkyConsolidate - Developed web-based shipment consolidation system using PHP and HTML.
- **Skynet IT Invoice System** - Built and maintained an internal PHP CMS with MySQL for invoice management and reporting.

Kotra Pharma (M) Sdn Bhd, Melaka

- Designed and developed new web systems from scratch using PHP and MS SQL Server, including front-end interfaces with Bootstrap, HTML, and CSS.
- Assisted in back-end code review, testing, and troubleshooting technical issues to ensure system stability.
- Communicated with end-users to gather requirements, conducted training, and provided user manuals and documentation.
- Supported internal applications, IT functions, and resolved user issues, including report creation using Microsoft SQL Server Report Builder.
- Managed multiple projects, ensuring timely completion and providing guidance to colleagues on web development tasks.

Key Project:

- **Staff Purchase System** – Internal web system for staff purchase operations (PHP + MS SQL Server).
- **Reporting System** – Developed internal reporting application (PHP + MS SQL Server).
- **Project Monitoring System (PMS)** – Internal project tracking system (PHP + MS SQL Server).
- **IT Asset Inventory Management (ITAIM)** – Managed IT assets via internal web system (PHP + MS SQL Server).

EDUCATION

Universiti Teknologi Mara (UITM), Kampus Jasin, Melaka**2016-2018**

Bachelor of Information Technology (Hons.) Information Systems Engineering

Universiti Teknologi Mara (UITM), Kampus Jasin, Melaka**2013-2015**

Diploma in Computer Science
